

Subject: Improvements to C106 PEFS Bracket

Product: 128738 Bracket PEFS C106

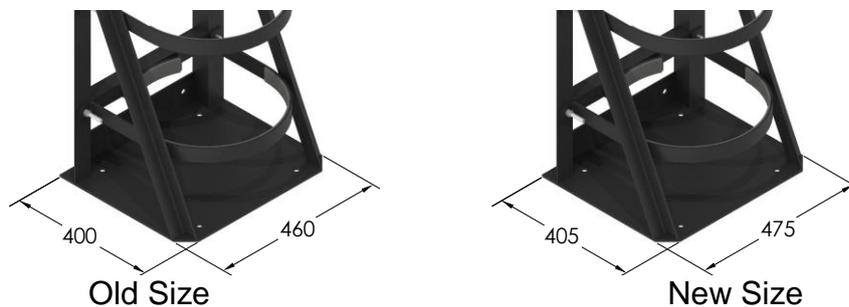

Improvements:

1. Upright Angles:
 - a. Steel grade changed from standard structural grade to high strength structural grade
 - b. Steel angle size increased from 40x40x5mm to 50x50x5mm
2. Brace Angles:
 - a. Steel grade changed from standard structural grade to high strength structural grade
 - b. Steel angle size increased from 30x30x4mm to 40x40x4mm

Other Changes:

To accommodate the above improvements the size of the base plate increased slightly as per below figure.

NO CHANGES have been made to any of the mounting hole locations. The improved bracket can be used to replace an old bracket providing there is adequate clearance for the base plate.

Effective Date: Immediately

Issue Date: 10 September 2018
